

## Aviat Networks Calls Out Ceragon Networks' Failure to Respond to Acquisition Proposal and Request for Extraordinary Meeting of Shareholders

July 6, 2022

AUSTIN, Texas, July 6, 2022 /PRNewswire/ -- Aviat Networks, Inc. (NASDAQ: AVNW) ("Aviat"), the leading expert in wireless transport solutions, today issued the following open letter to the Board of Directors (the "Board") of Ceragon Networks Ltd. (NASDAQ: CRNT) ("Ceragon" or the "Company"), urging the Company to schedule an extraordinary meeting of shareholders, which Aviat called for on June 27<sup>th</sup> (U.S.) / June 28<sup>th</sup> (Israel), 2022. As Ceragon's third largest shareholder, Aviat is entitled to call this meeting and believes Ceragon's silence represents its continued refusal to engage constructively with Aviat and act in the best interests of shareholders.

Members of the Board:

It has been over a week since we made public our acquisition proposal and, as the holder of more than 5% of Ceragon's outstanding shares, requested an extraordinary general meeting of shareholders for the purposes of removing three current directors and electing five highly qualified and independent new directors to better represent the interests of all Ceragon shareholders. To date, your only response has been to confirm receipt and the only guidance that you have provided to your shareholders is that they "need not take action at this time".

While your lack of response is disappointing, it is not surprising, given your refusal for several months to engage constructively with us in negotiations regarding a transaction that would deliver compelling value to shareholders. Your failure to respond over the past week only demonstrates to us, and to our fellow shareholders, that transparency and communication are far from your top priorities. We have come to expect delay tactics from you, but your other shareholders deserve better. They deserve a Board that will confront the Company's continued underperformance and that will consider opportunities to unlock value in earnest.

I urge you to do right by your shareholders – begin negotiations with us and set a date for shareholders to make their voices heard.

Sincerely,

Peter A. Smith

Aviat Networks

President and Chief Executive Officer
