Item 1.01. Entry into a Material Definitive Agreement.

On June 29, 2018, Aviat Networks, Inc., a Delaware corporation (the "Company") entered into a Third Amended and Restated Loan and Security Agreement (the "Loan Facility") by and among the Company, Aviat U.S., Inc. ("Opco," and together with the Company, the "U.S. Borrowers"), Aviat Networks (S) Pte. Ltd. (the "Singapore Borrower" and together with the Company and Opco, the "Borrowers") and Silicon Valley Bank, as lender (the "Lender"). The Loan Facility amends and restates the Company's existing Second Amended and Restated Loan and Security Agreement, dated as of March 28, 2014 (the "Existing Loan Facility"), by and among the Borrowers and the Lender.

The Loan Facility provides for a \$30.0 million accounts receivable formula based revolving credit facility that can be borrowed by the U.S. Borrowers, with a \$30.0 million sublimit (the "Singapore Sublimit") for an accounts receivable formula based revolving credit facility that can be borrowed by the Singapore Borrower. Loans may be advanced under the Loan Facility based on a borrowing base equal to a specified percentage of the value of eligible accounts of the Borrowers. The borrowing base is subject to certain eligibility criteria. Availability under the accounts receivable formula based revolving credit facility can also be utilized to issue letters of credit. Loan proceeds may be used for general corporate purposes. The Borrowers may prepay loans under the Loan Facility in whole or in part at any time without premium or penalty. As of June 29, 2018, the Borrowers had \$9.0 million aggregate principal amount of outstanding revolving loans under the Loan Facility and undrawn letters of credit in an aggregate principal amount of approximately \$0.9 million under the Loan Facility.

The loans bear interest, at the Borrowers' option, at (i) the prime rate reported in The Wall Street Journal, plus a spread of 0.50% to 1.50%, with such spread determined based on the Company's adjusted quick ratio or (ii) if the Borrowers satisfy a minimum adjusted quick ratio, a LIBOR rate determined in accordance with the Loan Facility, plus a spread of 2.75%. Any outstanding Singapore Borrower loans shall bear interest at an additional 2.00% above the applicable prime or LIBOR rate. Interest is due and payable in arrears monthly for prime rate loans and at the end of an interest period for LIBOR rate loans. Principal, together with all accrued and unpaid interest, is due and payable on June 29, 2019 (the "Maturity Date"). The Borrowers are also obligated to pay other customary closing fees, commitment fees and letter of credit fees for a facility of this size and type.

Certain of the Borrower's material domestic subsidiaries are required to guaranty the obligations under the Loan Facility. The obligations of the Borrowers and the guarantors are secured by substantially all of their respective assets, excluding intellectual property and subject to certain other exceptions and limitations. The U.S. Borrowers are jointly and severally liable for the obligations of Singapore Borrower under the Singapore Sublimit, however, the Singapore Borrower is not liable for the obligations of the U.S. Borrowers with respect to any obligations incurred by the U.S. Borrowers under the Loan Facility.

The Loan Facility contains customary affirmative and negative covenants, including, among others, covenants limiting the ability of Borrowers and their subsidiaries to dispose of assets, permit a change in control, merge or consolidate, make acquisitions, incur indebtedness, grant liens, make investments, make certain restricted payments and enter into transactions with affiliates, in each case subject to customary exceptions. In addition, the Loan Facility provides that the Company must maintain compliance with an adjusted quick ratio and a minimum EBITDA covenant, each as determined in accordance with the Loan Facility.

Upon an event of default, the Lender may declare the outstanding obligations payable by the Borrowers to be immediately due and payable and exercise other rights and remedies provided for under the Loan Facility. The events of default under the Loan Facility include, among others, payment defaults, covenant defaults, a material adverse change default, bankruptcy and insolvency defaults, cross-defaults to other material indebtedness, judgment defaults, inaccuracy of representations and warranties and defaults relating to governmental approvals. Under certain circumstances, a default interest rate will apply on all obligations during the existence of an event of default under the Loan Facility at a per annum rate of interest equal to 5.00% above the applicable interest rate.

The Lender and its affiliates have engaged in, and may in the future engage in, banking and other commercial dealings in the ordinary course of business with the Company or the Company's affiliates. They have received, or may in the future receive, customary fees and commissions for these transactions.

The foregoing description of the Loan Facility is qualified in its entirety by reference to the full text of the Loan Facility, a copy of which is filed as Exhibit 10.1 hereto and incorporated herein by reference.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

10.1 [Third Amended and Restated Loan and Security Agreement, dated as of June 29, 2018, by and among Aviat Networks, Inc., Aviat U.S., Inc., Aviat Networks \(S\) Pte. Ltd. and Silicon Valley Bank.](#)

THIRD AMENDED AND RESTATED LOAN AND SECURITY AGREEMENT

THIS THIRD AMENDED AND RESTATED LOAN AND SECURITY AGREEMENT (this “Agreement”) dated as of June 29, 2018 (the “**Effective Date**”) by and among **SILICON VALLEY BANK**, a California corporation (“**Bank**”), **AVIAT NETWORKS, INC.**, a Delaware corporation (“**Parent**”), **AVIAT U.S., INC.**, a Delaware corporation (“**Opco**”, together with Parent, the “**US Borrowers**” and each a “**Borrower**”), and **AVIAT NETWORKS (S) PTE. LTD.**, a private company limited by shares formed under the laws of the Republic of Singapore (“**Aviat Singapore**” or “**Singapore Borrower**”, and together with the US Borrowers, the “**Borrowers**”), provides the terms on which Bank shall lend to Borrower and Borrower shall repay Bank. This Agreement amends and restates in its entirety, but is not a novation of, that certain Second Amended and Restated Loan and Security Agreement dated as of March 28, 2014 (as amended, the “**Original Agreement**”). The parties agree as follows:

1. ACCOUNTING AND OTHER TERMS

Accounting terms not defined in this Agreement shall be construed following GAAP. Calculations and determinations must be made following GAAP. Capitalized terms not otherwise defined in this Agreement shall have the meanings set forth in Section 13. All other terms contained in this Agreement, unless otherwise indicated shall have the meaning provided by the Code to the extent such terms are defined therein.

2. LOAN AND TERMS OF PAYMENT

2.1 Promise to Pay. US Borrowers hereby unconditionally promise to pay Bank the outstanding principal amount of all Credit Extensions and accrued and unpaid interest thereon as and when due in accordance with this Agreement. Singapore Borrower hereby unconditionally promises to pay Bank the outstanding principal amount of all Singapore Utilization and accrued and unpaid interest thereon as and when due in accordance with this Agreement

2.2 Revolving Line.

(a) Availability. Subject to the terms and conditions of this Agreement and to deduction of Reserves, Bank shall make (i) Advances in Dollars to a US Borrower (“US Advances”) not exceeding the Availability Amount and (ii) Advances in Dollars to Singapore Borrower (“Singapore Advances”) not exceeding the Singapore Availability Amount. Amounts borrowed under the Revolving Line may be repaid and, prior to the Revolving Line Maturity Date, reborrowed, subject to the applicable terms and conditions precedent herein. No Singapore Advances shall be drawn until satisfaction of the Singapore Conditions Precedent.

(b) Termination; Repayment. The Revolving Line terminates on the Revolving Line Maturity Date, when the principal amount of all Advances, the unpaid interest thereon, and all other Obligations relating to the Revolving Line shall be immediately due and payable.

(c) Early Termination. The Revolving Line may be terminated at the election of US Borrowers, by not less than thirty days’ irrevocable written notice to the Bank specifying the termination date (the “Termination Date”). Following the giving of such notice, no further Credit Extensions may be requested and Bank shall have no obligation to make Credit Extensions. On the Termination Date the principal amount of all Advances, the unpaid interest thereon, and all other Obligations relating to the Revolving Line shall be immediately due and payable.

2.3 Letters of Credit Sublimit.

(a) As part of the Revolving Line, Bank shall issue or have issued Letters of Credit denominated in Dollars or a Foreign Currency for Borrower's account. The aggregate Dollar Equivalent amount utilized for the issuance of Letters of Credit shall at all times reduce the amount otherwise available for Advances under the Revolving Line. The aggregate Dollar Equivalent of the face amount of outstanding Letters of Credit (including drawn but unreimbursed Letters of Credit and any Letter of Credit Reserve) may not exceed (i) in the case of US Borrowers, the lesser of (A) the Letter of Credit Sublimit, (B) the Borrowing Base, minus the sum of all outstanding principal amounts of any Advances (including the aggregate Dollar Equivalent of the face amount of any outstanding Letters of Credit (including drawn but unreimbursed Letters of Credit and any Letter of Credit Reserve) or (C) the Revolving Line minus the sum of all outstanding principal amounts of any Advances (including the aggregate Dollar Equivalent of the face amount of any outstanding Letters of Credit (including drawn but unreimbursed Letters of Credit and any Letter of Credit Reserve); or (ii) in the case of the Singapore Borrower, the lesser of (A) the Letter of Credit Sublimit, (B) Singapore Availability Amount minus the sum of all outstanding principal amounts of any Singapore Advances (including the aggregate Dollar Equivalent of the face amount of any outstanding Letters of Credit (including drawn but unreimbursed Letters of Credit and any Letter of Credit Reserve) or (C) the Revolving Line minus the sum of all outstanding principal amounts of any Advances (including the aggregate Dollar Equivalent of the face amount of any outstanding Letters of Credit (including drawn but unreimbursed Letters of Credit and any Letter of Credit Reserve). For the avoidance of doubt, the Existing Letters of Credit shall constitute Letters of Credit hereunder.

(b) If, on the Revolving Line Maturity Date (or the effective date of any termination of this Agreement), there are any outstanding Letters of Credit, then on such date the applicable Borrower shall provide to Bank cash collateral in an amount equal to at least one hundred five percent (105.0%) for Letters of Credit denominated in Dollars or at least one hundred ten percent (110.0%) for Letters of Credit denominated in a Foreign Currency, in each case of the aggregate Dollar Equivalent of the face amount of all such Letters of Credit plus all interest, fees, and costs due or estimated by Bank to become due in connection therewith, to secure all of the Obligations relating to such Letters of Credit. All Letters of Credit shall be in form and substance acceptable to Bank in its sole discretion and shall be subject to the terms and conditions of Bank's standard Application and Letter of Credit Agreement (the "**Letter of Credit Application**"). Each Borrower agrees to execute any further documentation in connection with the Letters of Credit as Bank may reasonably request. Each Borrower further agrees to be bound by the regulations and interpretations of the issuer of any Letters of Credit guaranteed by Bank and opened for such Borrower's account or by Bank's interpretations of any Letter of Credit issued by Bank for such Borrower's account, and each Borrower understands and agrees that Bank shall not be liable for any error, negligence, or mistake, whether of omission or commission, in following any Borrower's instructions or those contained in the Letters of Credit or any modifications, amendments, or supplements thereto.

(c) The obligation of each Borrower to immediately reimburse Bank for drawings made under Letters of Credit shall be absolute, unconditional, and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement, such Letters of Credit, and the Letter of Credit Application; provided that the Singapore Borrower's reimbursement obligations shall be limited to drawings made under Letters of Credit issued by Bank for Singapore Borrower's account.

(d) Any Borrower may request that Bank issue a Letter of Credit payable in a Foreign Currency. If a demand for payment is made under any such Letter of Credit, Bank shall treat such demand as an Advance to such Borrower of the Dollar Equivalent of the amount thereof (plus fees and charges in connection therewith such as wire, cable, SWIFT or similar charges).

(e) To guard against fluctuations in currency exchange rates, upon the issuance of any Letter of Credit payable in a Foreign Currency, Bank shall create a reserve (the “**Letter of Credit Reserve**”) under the Revolving Line in an amount equal to a percentage (which percentage shall be determined by Bank in its sole discretion) of the face amount of such Letter of Credit. The amount of the Letter of Credit Reserve may be adjusted by Bank from time to time to account for fluctuations in the exchange rate. The availability of funds under the Revolving Line shall be reduced by the amount of such Letter of Credit Reserve for as long as such Letter of Credit remains outstanding.

(f) If, on the Revolving Line Maturity Date (or the effective date of any termination of this Agreement) the Borrower’s Adjusted Quick Ratio is less than 1.10:1.00, then with respect to any Letters of Credit that Bank issues or renews on or after such date, Borrower shall promptly provide to Bank cash collateral in an amount equal to (x) if such Letters of Credit are denominated in Dollars, then at least one hundred percent (100%); and (y) if such Letters of Credit are denominated in a Foreign Currency, then at least one hundred ten percent (110%), of the Dollar Equivalent of the face amount of all such Letters of Credit plus all interest, fees, and costs due or to become due in connection therewith (as estimated by Bank in its reasonable business judgment), to secure all of the Obligations relating to such Letters of Credit. Notwithstanding anything to the contrary in this Section 2.3(f), Singapore Borrower’s obligations to provide cash collateral to secure Obligations with respect to any Letters of Credit shall only be for any Letters of Credit issued for Singapore Borrower’s account.

2.4 Overadvances. If, at any time, (a) the Revolving Line Utilization exceeds the lesser of (i) the Revolving Line or (ii) the Borrowing Base, or (b) the Singapore Utilization exceeds the lesser of (i)(1) the Revolving Line minus (2) the outstanding aggregate amount of US Advances, or (2) the Singapore Sublimit, then Borrowers shall immediately pay to Bank in cash the amount of such excess (such excess, the “**Overadvance**”). Without limiting Borrowers’ obligation to repay Bank any Overadvance, Borrowers agree to pay Bank interest on the outstanding amount of any Overadvance, on demand, at a per annum rate equal to the rate that is otherwise applicable to Advances plus five percent (5.0%). Notwithstanding anything to the contrary in this Section 2.4, Singapore Borrower’s obligations to repay any Overadvance (and any accrued interest thereon) shall only be for any Advances related to the Singapore Utilization.

2.5 Availability of Optional Currencies.

(a) Optional Currencies. Borrowers may request in the relevant Notice of Borrowing under Section 3.4 that an Advance be denominated in an Optional Currency, in which event the Advance shall, subject to the following provisions, be denominated in such Optional Currency (each such Advance, an “**Optional Currency Advance**”). Borrower shall not be permitted to alter such request without the written consent of Bank. All other Advances shall be denominated in Dollars (each such other Advance, a “**Dollar Advance**”).

(b) Non-availability of Optional Currencies. If a Borrower requests an Optional Currency Advance, and (i) Bank notifies such Borrower that it does not agree to such request; or (ii) Bank is not satisfied that all necessary governmental and other approvals, authorizations and consents have been obtained; or (iii) Bank determines that it is not feasible for an Advance to be denominated in such Optional Currency, then unless Bank otherwise agrees, that Advance shall be a Dollar Advance.

(c) Currency of Repayment. Each Advance shall remain, and shall be paid or repaid (as the case may be) in the Currency in which it was made, but this shall not restrict the right of Bank to apply the proceeds of Collateral denominated in one Currency against Obligations denominated in another Currency, and to effect any necessary Currency conversion for such purpose pursuant to Section 12.3(b).

(d) Currency Margin. If at any time Bank certifies that an Advance or the aggregate of all outstanding Advances, as the case may be, together with all accrued but unpaid interest, exceeds (or, in the case of any Advance denominated in an Optional Currency, would exceed if converted into Dollars at Bank's spot rate of exchange for the purchase of Dollars on that day) one hundred ten percent (110.0%) of the Availability Amount, Borrowers shall promptly prepay the Advance or Advances in whole or in part sufficient to reduce such amount (or aggregate amount), or its Dollar-equivalent converted as mentioned above, to one hundred percent (100.0%) of the Availability Amount, and if Borrowers fail to do so, Bank may, without prior notice, convert any Advance to Dollars at its spot rate of exchange. Notwithstanding anything to the contrary in this Section 2.5, Singapore Borrower's obligations to prepay any Advance shall only be for any Advances related to the Singapore Utilization.

2.6 Payment of Interest on the Credit Extensions.

(a) Interest; Payment. Each Advance shall, at Borrower's option, in accordance with the terms of this Agreement, be either in the form of a Prime Rate Advance or a LIBOR Advance. Each Advance shall bear interest on the outstanding principal amount thereof from the date when made, continued or converted until paid in full at a rate per annum equal to (i) for Prime Rate Advances, the Prime Rate plus the applicable Prime Rate Margin, and (ii) for LIBOR Advances, the LIBOR Rate plus the applicable LIBOR Rate Margin. On and after the expiration of any Interest Period applicable to any LIBOR Advance outstanding on the date of occurrence of an Event of Default or acceleration of the Obligations, the amount of such LIBOR Advance shall, during the continuance of such Event of Default or after acceleration, bear interest at a rate per annum equal to the Prime Rate plus five percent (5.0%). Pursuant to the terms hereof, interest on each Advance shall be paid in arrears on each Interest Payment Date. Interest shall also be paid on the date of any prepayment of any Advance pursuant to this Agreement for the portion of any Advance so prepaid and upon payment (including prepayment) in full thereof. All accrued but unpaid interest on the Advances shall be due and payable on the Revolving Line Maturity Date.

(b) Prime Rate Advances. Each change in the interest rate of the Prime Rate Advances based on changes in the Prime Rate shall be effective on the effective date of such change and to the extent of such change.

(c) LIBOR Advances. The interest rate applicable to each LIBOR Advance shall be determined in accordance with Section 3.6(a) hereunder. Subject to Sections 3.5 and 3.6, such rate shall apply during the entire Interest Period applicable to such LIBOR Advance, and interest calculated thereon shall be payable on the Interest Payment Date applicable to such LIBOR Advance.

(d) Computation of Interest. Any interest hereunder will accrue from day to day and is calculated on the basis of the actual number of days elapsed and a year of 360 days in the case of any Credit Extension outstanding in any Currency other than Pounds Sterling, and a year of 365 days in respect of any Credit Extension outstanding in Pounds Sterling. In computing interest on any Credit Extension, the date of the making of such Credit Extension shall be included and the date of payment shall be excluded; provided, however, that if any Credit Extension is repaid on the same day on which it is made, such day shall be included in computing interest on such Credit Extension.

(e) Default Rate. Upon the occurrence and during the continuance of an Event of Default, Obligations shall bear interest at a rate per annum which is five percent (5.0%) above the rate that would otherwise be applicable thereto (the "Default Rate"). Payment or acceptance of the increased interest provided in this Section 2.6(e) is not a permitted alternative to timely payment and shall not constitute a waiver of any Event of Default or otherwise prejudice or limit any rights or remedies of Bank.

2.7 Fees. Borrower shall pay to Bank:

(a) Amendment Fee. A fully earned, non-refundable amendment fee of Twenty-Five Thousand Dollars (\$25,000) on the Effective Date;

(b) Letter of Credit Fee. Bank's customary fees and expenses for the issuance or renewal of Letters of Credit, including, without limitation, a letter of credit fee of one percent (1.00%) per annum of the Dollar Equivalent of the face amount of each Letter of Credit issued, upon the issuance of such Letter of Credit, each anniversary of the issuance during the term of such Letter of Credit, and upon the renewal of such Letter of Credit by Bank;

(c) Unused Revolving Line Facility Fee. A fee (the "**Unused Revolving Line Facility Fee**"), payable quarterly, in arrears, on a calendar year basis, in an amount equal to such applicable percentage of the average quarterly unused portion of the Revolving Line (with the value of Letters of Credit measured at month end for purposes of calculating the fee under this provision) as set forth below based on Borrowers' consolidated financial statements as of the most recent fiscal quarter end:

<u>Level</u>	<u>Borrowers' Adjusted</u>	<u>Unused Revolving Line</u>
	<u>Quick Ratio</u>	<u>Facility Fee</u>
I	Greater than or equal to 1.10:1.00	0.25% per annum
	Less than 1.10:1.00	
II		0.35% per annum

For purposes of calculating the Unused Revolving Line Facility Fee, the unused portion of the Revolving Line shall equal the Revolving Line *minus* the Revolving Line Utilization; and

(d) Bank Expenses. All Bank Expenses (including reasonable attorneys' fees and expenses for documentation and negotiation of this Agreement) incurred through and after the Effective Date, when due (or, if no stated due date, upon demand by Bank).

(e) Fees Fully Earned. Unless otherwise provided in this Agreement or in a separate writing by Bank, no Borrower shall be entitled to any credit, rebate, or repayment of any fees earned by Bank pursuant to this Agreement notwithstanding any termination of this Agreement or the suspension or termination of Bank's obligation to make loans and advances hereunder. Bank may deduct amounts owing by any Borrower under the clauses of this Section 2.7 pursuant to the terms of Section 2.8(c). Bank shall provide Borrower written notice of deductions made from the Designated Deposit Account pursuant to the terms of the clauses of this Section 2.7.

2.8 Payments; Application of Payments; Debit of Accounts.

(a) All payments to be made by Borrowers under any Loan Document shall be made in immediately available funds in Dollars, without setoff or counterclaim, before 12:00 p.m. Pacific time on the date when due. Payments of principal and/or interest received after 12:00 p.m. Pacific time are considered received at the opening of business on the next Business Day. When a payment is due on a day that is not

a Business Day, the payment shall be due the next Business Day, and additional fees or interest, as applicable, shall continue to accrue until paid.

(b) Bank has the exclusive right to determine the order and manner in which all payments with respect to the Obligations may be applied; provided, however, that that Bank shall apply the funds of Singapore Borrower to the Singapore Obligations, exclusively. Borrowers shall have no right to specify the order or the accounts to which Bank shall allocate or apply any payments required to be made by Borrowers to Bank or otherwise received by Bank under this Agreement when any such allocation or application is not specified elsewhere in this Agreement. Notwithstanding Bank's exclusive right to determine the order and manner in which all payments are applied, pursuant to this Section 2.8(b), Bank intends to apply such payments as follows: (i) all principal and interest payments received by Bank, and all proceeds of Collateral received by Bank, shall be applied (A) first to reduce the balance of principal and interest of the Revolving Line outstanding, and (B) in the case of payments received from Singapore Borrower, first to reduce the balance of principal and interest of the Singapore Obligations; provided that so long as no Event of Default has occurred and is continuing, any Borrower may specify that any payment made by such Borrower to Bank shall be for the payment of specific Obligations then due and payable under any provision of this Agreement or any other Loan Document. For the avoidance of doubt, in no event shall Bank apply any payments received by Singapore Borrower to, nor shall any payment by Singapore Borrower be construed to be for, any Obligation owing by any US Borrower.

(c) Bank may debit any Borrower's deposit accounts, including the Designated Deposit Account, for principal and interest payments or any other amounts such Borrower owes Bank when due. Notwithstanding anything herein, Bank shall only debit the deposit accounts of Singapore Borrower for amounts owing under the Singapore Obligations. These debits shall not constitute a set-off.

2.9 Withholding. Payments received by Bank from Borrowers under this Agreement will be made free and clear of and without deduction for any and all present or future taxes, levies, imposts, duties, deductions, withholdings, assessments, fees or other charges imposed by any Governmental Authority (including any interest, additions to tax or penalties applicable thereto). Specifically, however, if at any time any Governmental Authority, applicable law, regulation or international agreement requires any Borrower to make any withholding or deduction from any such payment or other sum payable hereunder to Bank, such Borrower hereby covenants and agrees that the amount due from such Borrower with respect to such payment or other sum payable hereunder will be increased to the extent necessary to ensure that, after the making of such required withholding or deduction, Bank receives a net sum equal to the sum which it would have received had no withholding or deduction been required, and such Borrower shall pay the full amount withheld or deducted to the relevant Governmental Authority. Each Borrower will, upon request, furnish Bank with proof reasonably satisfactory to Bank indicating that such Borrower has made such withholding payment; provided, however, that no Borrower need make any withholding payment if the amount or validity of such withholding payment is contested in good faith by appropriate and timely proceedings and as to which payment in full is bonded or reserved against by such Borrower. The agreements and obligations of each Borrower contained in this Section 2.9 shall survive the termination of this Agreement.

3 CONDITIONS OF LOANS

3.1 Conditions Precedent to Initial Credit Extension. Bank's obligation to make the initial Credit Extension is subject to the condition precedent that Bank shall have received, in form and substance satisfactory to Bank, such documents, and completion of such other matters, as Bank may reasonably deem necessary or appropriate, including, without limitation:

- (a) duly executed original signatures to the Loan Documents;
- (b) duly executed original signatures to the Perfection Certificates for each Borrower;
- (c) each US Borrower's Operating Documents and a good standing certificate of each US Borrower certified by the Secretary of State of the State of Delaware as of a date no earlier than thirty (30) days prior to the Effective Date;
- (d) duly executed original signatures to the completed Borrowing Resolutions for each Borrower;
- (e) Singapore Borrower's Operating Documents;
- (f) certified copies, dated as of a recent date, of financing statement searches, as Bank shall request, accompanied by written evidence (including any UCC termination statements) that the Liens indicated in any such financing statements constitute Permitted Liens;
- (g) evidence satisfactory to Bank that the insurance policies required by Section 6.7 hereof are in full force and effect, together with appropriate evidence showing loss payable and/or additional insured clauses in favor of Bank; and
- (h) payment of the fees and Bank Expenses then due as specified in Section 2.7 hereof.

3.2 Conditions Precedent to all Credit Extensions. Bank's obligation to make each Credit Extension, including the initial Credit Extension, is subject to the following conditions precedent:

- (a) Timely receipt of the Credit Extension request and any materials and documents required by Section 3.4;
- (b) the representations and warranties in this Agreement shall be true, accurate, and complete in all material respects on the date of the proposed Credit Extension and on the Funding Date of each Credit Extension; provided, however, that such materiality qualifier shall not be applicable to any representations and warranties that already are qualified or modified by materiality in the text thereof; and provided, further that those representations and warranties expressly referring to a specific date shall be true, accurate and complete in all material respects as of such date, and no Event of Default shall have occurred and be continuing or result from the Credit Extension. Each Credit Extension is Borrowers' representation and warranty on that date that the representations and warranties in this Agreement remain true, accurate, and complete in all material respects; provided, however, that such materiality qualifier shall not be applicable to any representations and warranties that already are qualified or modified by materiality in the text thereof; and provided, further that those representations and warranties expressly referring to a specific date shall be true, accurate and complete in all material respects as of such date; and
- (c) Bank determines to its satisfaction that there has not been a Material Adverse Change.

3.3 Covenant to Deliver. Borrowers agree to deliver to Bank each item required to be delivered to Bank under this Agreement as a condition precedent to any Credit Extension. Borrowers expressly agree that a Credit Extension made prior to the receipt by Bank of any such item shall not constitute a waiver by Bank of Borrowers' obligation to deliver such item, and the making of any Credit Extension in the absence of a required item shall be in Bank's sole discretion.

3.4 Procedures for Borrowing.

(a) Subject to the prior satisfaction of all other applicable conditions to the making of an Advance set forth in this Agreement, an Advance shall be made upon Administrative Borrower's or Singapore Borrower's (in each case, via an individual duly authorized by an Administrator) irrevocable written notice delivered to Bank in the form of a Notice of Borrowing or without instructions if any Advance is necessary to meet Obligations which have become due. The Notice of Borrowing shall be made by Borrower through Bank's online banking program, provided, however, if Borrower is not utilizing Bank's online banking program, then such Notice of Borrowing shall be in the form attached hereto as Exhibit C and shall be executed by an Authorized Signer. Bank shall have received satisfactory evidence that the Board has approved that such Authorized Signer may provide such notices and request Advances. The Notice of Borrowing must be received by Bank prior to 12:00 p.m. Pacific time, (i) at least three (3) Business Days prior to the requested Funding Date, in the case of any LIBOR Advance, and (ii) on the requested Funding Date, in the case of a Prime Rate Advance, specifying: (1) the amount of the Advance; (2) the Currency in which such Advance shall be denominated; (3) the requested Funding Date; (4) whether the Advance is to be comprised of LIBOR Advances or Prime Rate Advances; and (5) the duration of the Interest Period applicable to any such LIBOR Advances included in such notice; provided that if the Notice of Borrowing shall fail to specify the duration of the Interest Period for any Advance comprised of LIBOR Advances, such Interest Period shall be one (1) month. Notwithstanding any terms in this Agreement to the contrary, each LIBOR Advance shall not be less than One Million Dollars (\$1,000,000.00) (or one million (1,000,000.00) of the applicable units for a LIBOR Advance to be made in an Optional Currency) and shall be in a multiple of One Hundred Thousand Dollars (\$100,000.00) (or one hundred thousand (100,000.00) of the applicable units for a LIBOR Advance to be made in an Optional Currency). In addition to such Notice of Borrowing, either Administrative Borrower or Singapore Borrower, as applicable, must promptly deliver to Bank by electronic mail or through Bank's online banking program such reports and information, including without limitation, sales journals, cash receipts journals, accounts receivable aging reports, as Bank may request in its sole discretion (including an updated Borrowing Base Certificate signed by a Responsible Officer if the most recent Borrowing Base Certificate delivered pursuant to Section 6.2(e) is dated 30 days or more prior to the date of the Notice of Borrowing).

(b) On the Funding Date, Bank shall credit proceeds of an Advance to the Designated Deposit Account denominated in the same Currency as the Currency requested with respect to the Advance and, subsequently, shall transfer such proceeds by wire transfer to such other account as the applicable Borrower may instruct in the Notice of Borrowing. Except for protective payments pursuant to Section 9.3, no Advances shall be deemed made to any Borrower, and no interest shall accrue on any such Advance, until the related funds have been deposited in the applicable Designated Deposit Account.

3.5 Conversion and Continuation Elections.

(a) So long as (i) no Event of Default exists; (ii) Borrowers shall not have sent any notice of termination of this Agreement; and (iii) Borrowers shall have complied with such customary procedures as Bank has established from time to time for Borrower's requests for LIBOR Advances, either Administrative Borrower or Singapore Borrower, as applicable, may, upon irrevocable written notice to Bank:

- (1) elect to convert on any Business Day, Prime Rate Advances into LIBOR Advances;
- (2) elect to continue on any Interest Payment Date any LIBOR Advances maturing on such Interest Payment Date; or

(3) elect to convert on any Interest Payment Date any LIBOR Advances maturing on such Interest Payment Date into Prime Rate Advances.

(b) Either Administrative Borrower or Singapore Borrower, as applicable, shall deliver a Notice of Conversion/Continuation by electronic mail via Bank's online banking program to be received by Bank prior to 12:00 p.m. Pacific time (i) at least three (3) Business Days in advance of the Conversion Date or Continuation Date, if any Advances are to be converted into or continued as LIBOR Advances; and (ii) on the Conversion Date, if any Advances are to be converted into Prime Rate Advances, in each case specifying the:

- (1) proposed Conversion Date or Continuation Date;
- (2) aggregate amount of the Advances to be converted or continued;
- (3) nature of the proposed conversion or continuation; and
- (4) if the resulting Advance is to be a LIBOR Advance, the duration of the requested Interest Period.

(c) If upon the expiration of any Interest Period applicable to any LIBOR Advances, the applicable Borrower shall have timely failed to select a new Interest Period to be applicable to such LIBOR Advances or request to convert a LIBOR Advance into a Prime Rate Advance, Borrower shall be deemed to have elected (i) for any such Dollar Advances, to convert such LIBOR Advances into Prime Rate Advances, and (ii) for any such Optional Currency Advances, to, at Bank's option, (A) renew such Optional Currency Advance as a one (1) month LIBOR Advance or (B) repay such Optional Currency Advance.

(d) Any LIBOR Advances shall, at Bank's option, convert into Prime Rate Advances in the event that (i) an Event of Default exists, or (ii) the aggregate principal amount of the Prime Rate Advances which have been previously converted to LIBOR Advances, or the aggregate principal amount of existing LIBOR Advances continued, as the case may be, at the beginning of an Interest Period shall at any time during such Interest Period exceeds the lesser of the Revolving Line or the Borrowing Base. Borrowers agree to pay Bank, upon demand by Bank (or Bank may, at its option, debit the Designated Deposit Account or any other account Borrowers maintain with Bank) any amounts required to compensate Bank for any loss (including loss of anticipated profits), cost, or expense incurred by Bank, as a result of the conversion of LIBOR Advances to Prime Rate Advances pursuant to this Section 3.5(d); provided that any payment made by Singapore Borrower pursuant to this Section 3.5(d) shall only be for any loss, cost or expense incurred by Bank related to the Singapore Utilization.

(e) Notwithstanding anything to the contrary contained herein, Bank shall not be required to purchase Dollar deposits in the London interbank market or other applicable LIBOR market to fund any LIBOR Advances, but the provisions hereof shall be deemed to apply as if Bank had purchased such deposits to fund the LIBOR Advances.

3.6 Special Provisions Governing LIBOR Advances. Notwithstanding any other provision of this Agreement to the contrary, the following provisions shall govern with respect to LIBOR Advances as to the matters covered:

(a) Determination of Applicable Interest Rate. As soon as practicable on each Interest Rate Determination Date, Bank shall determine (which determination shall, absent manifest error in calculation, be final, conclusive and binding upon all parties) the interest rate that shall apply to the LIBOR Advances for which an interest rate is then being determined for the applicable Interest Period and shall promptly give notice thereof (in writing or by telephone confirmed in writing) to Borrowers.

(b) Inability to Determine Applicable Interest Rate. In the event that Bank shall have determined (which determination shall be final and conclusive and binding upon all parties hereto), on any Interest Rate Determination Date with respect to any LIBOR Advance, that by reason of circumstances affecting the London interbank market adequate and fair means do not exist for ascertaining the interest rate applicable to such LIBOR Advance on the basis provided for in the definition of LIBOR, Bank shall on such date give notice (by facsimile or by telephone confirmed in writing) to the applicable Borrower of such determination, whereupon (i) no Advances may be made as, or converted to, LIBOR Advances until such time as Bank notifies the applicable Borrower that the circumstances giving rise to such notice no longer exist, and (ii) any Notice of Borrowing or Notice of Conversion/Continuation given by the applicable Borrowers with respect to LIBOR Advances in respect of which such determination was made shall be deemed to be rescinded by such Borrower.

(c) Compensation for Breakage or Non-Commencement of Interest Periods. If (i) for any reason, other than a default by Bank or any failure of Bank to fund LIBOR Advances due to impracticability or illegality under Sections 3.7(c) and 3.7(d) of this Agreement, a borrowing or a conversion to or continuation of any LIBOR Advance does not occur on a date specified in a Notice of Borrowing or a Notice of Conversion/Continuation, as the case may be, or (ii) any complete or partial principal payment or reduction of a LIBOR Advance, or any conversion of any LIBOR Advance, occurs on a date prior to the last day of an Interest Period applicable to that LIBOR Advance, including due to voluntary or mandatory prepayment or acceleration, then, in each case, the applicable Borrower shall compensate Bank, upon written request by Bank, for all losses and expenses incurred by Bank in an amount equal to the excess, if any, of:

(A) the amount of interest that would have accrued on the amount (1) not borrowed, converted or continued as provided in clause (i) above, or (2) paid, reduced or converted as provided in clause (ii) above, for the period from (y) the date of such failure to borrow, convert or continue as provided in clause (i) above, or the date of such payment, reduction or conversion as provided in clause (ii) above, as the case may be, to (z) in the case of a failure to borrow, convert or continue as provided in clause (i) above, the last day of the Interest Period that would have commenced on the date of such borrowing, conversion or continuing but for such failure, and in the case of a payment, reduction or conversion prior to the last day of an Interest Period applicable to a LIBOR Advance as provided in clause (ii) above, the last day of such Interest Period, in each case at the applicable rate of interest or other return for such LIBOR Advance(s) provided for herein (excluding, however, the LIBOR Rate Margin included therein, if any), over

(B) the interest which would have accrued to Bank on the applicable amount provided in clause (A) above through the purchase of a Eurodollar deposit bearing interest at the rate obtained pursuant to the definition of LIBOR Rate on the date of such failure to borrow, convert or continue as provided in clause (i) above, or the date of such payment, reduction or conversion as provided in clause (ii) above, as the case may be, for a period equal to the remaining period of such applicable Interest Period provided in clause (A) above.

Bank's request shall set forth the manner and method of computing such compensation and such determination as to such compensation shall be conclusive absent manifest error. Notwithstanding anything herein to the contrary, any payments made by Singapore Borrower pursuant to this Section 3.6(c) shall be limited to amounts specified in subclauses (A) and (B) above incurred by Bank related to the Singapore Utilization.

(d) Assumptions Concerning Funding of LIBOR Advances. Calculation of all amounts payable to Bank under this Section 3.6 and under Section 3.7 shall be made as though Bank had actually funded each relevant LIBOR Advance through the purchase of a Eurodollar deposit bearing interest at the rate obtained pursuant to the definition of LIBOR Rate in an amount equal to the amount of such LIBOR Advance and having a maturity comparable to the relevant Interest Period; provided, however, that Bank may fund each of its LIBOR Advances in any manner it sees fit and the foregoing assumptions shall be utilized only for the purposes of calculating amounts payable under this Section 3.6 and under Section 3.7.

(e) LIBOR Advances After an Event of Default. After the occurrence and during the continuance of an Event of Default, (i) Borrowers may not elect to have an Advance be made or continued as, or converted to, a LIBOR Advance after the expiration of any Interest Period then in effect for such Advance and (ii) subject to the provisions of Section 3.6(c), any Notice of Conversion/Continuation given by a Borrower with respect to a requested conversion/continuation that has not yet occurred shall, at Bank's option, be deemed to be rescinded by such Borrower and be deemed a request to convert or continue Advances referred to therein as Prime Rate Advances.

3.7 Additional Requirements/Provisions Regarding LIBOR Advances.

(a) Borrowers shall pay Bank, upon demand by Bank, from time to time such amounts as Bank may determine to be necessary to compensate it for any costs incurred by Bank that Bank determines are attributable to its making or maintaining of any amount receivable by Bank hereunder in respect of any LIBOR Advances relating thereto (such increases in costs and reductions in amounts receivable being herein called "Additional Costs"), in each case resulting from any Regulatory Change which:

(i) changes the basis of taxation of any amounts payable to Bank under this Agreement in respect of any LIBOR Advances (other than changes which affect taxes measured by or imposed on the overall net income of Bank by the jurisdiction in which Bank has its principal office);

(ii) imposes or modifies any reserve, special deposit or similar requirements relating to any extensions of credit or other assets of, or any deposits with, or other liabilities of Bank (including any LIBOR Advances or any deposits referred to in the definition of LIBOR); or

(iii) imposes any other condition affecting this Agreement (or any of such extensions of credit or liabilities);

(iv)

provided that any payments made by Singapore Borrower pursuant to this Section 3.7(a) shall only be for any Additional Costs incurred by Bank related to the Singapore Utilization.

Bank will notify Borrowers of any event occurring after the Effective Date which will entitle Bank to compensation pursuant to this Section 3.7(a) as promptly as practicable after it obtains knowledge thereof and determines to request such compensation. Bank will furnish Borrowers with a statement setting forth the basis and amount of each request by Bank for compensation under this Section 3.7(a). Determinations and allocations by Bank for purposes of this Section 3.7(a) of the effect of any Regulatory

Change on its costs of maintaining its obligations to make LIBOR Advances, of making or maintaining LIBOR Advances, or on amounts receivable by it in respect of LIBOR Advances, and of the additional amounts required to compensate Bank in respect of any Additional Costs, shall be conclusive absent manifest error.

(b) If Bank shall determine that the adoption or implementation of any applicable law, rule, regulation, or treaty regarding capital adequacy, or any change therein, or any change in the interpretation or administration thereof by any governmental authority, central bank, or comparable agency charged with the interpretation or administration thereof, or compliance by Bank (or its applicable lending office) with any request or directive regarding capital adequacy (whether or not having the force of law) of any such authority, central bank, or comparable agency, has or would have the effect of reducing the rate of return on capital of Bank or any person or entity controlling Bank (a “**Bank Parent**”) as a consequence of its obligations hereunder to a level below that which Bank (or its Bank Parent) could have achieved but for such adoption, change, or compliance (taking into consideration policies with respect to capital adequacy) by an amount deemed by Bank to be material, then from time to time, within five (5) days after demand by Bank, Borrowers shall pay to Bank such additional amount or amounts as will compensate Bank for such reduction. A statement of Bank claiming compensation under this Section 3.7(b) and setting forth the additional amount or amounts to be paid to it hereunder shall be conclusive absent manifest error.

Notwithstanding anything to the contrary in this Section 3.7, Borrower shall not be required to compensate Bank pursuant to this Section 3.7(b) for any amounts incurred more than nine (9) months prior to the date that Bank notifies Borrower of Bank’s intention to claim compensation therefor; provided that if the circumstances giving rise to such claim have a retroactive effect, then such nine-month period shall be extended to include the period of such retroactive effect. The obligations of Borrower arising pursuant to this Section 3.7(b) shall survive the Revolving Line Maturity Date, the termination of this Agreement and the repayment of all Obligations; provided, however, that any payments made by Singapore Borrower pursuant to this Section 3.7(b) shall only be for any amount demanded by Bank related to the Singapore Utilization.

(c) If, at any time, Bank, in its sole and absolute discretion, determines that (i) the amount of LIBOR Advances for periods equal to the corresponding Interest Periods are not available to Bank in the offshore currency interbank markets, or (ii) LIBOR does not accurately reflect the cost to Bank of lending the LIBOR Advances, then Bank shall promptly give notice thereof to Borrowers. Upon the giving of such notice, Bank’s obligation to make the LIBOR Advances shall terminate; provided, however, LIBOR Advances shall not terminate if Bank and Borrowers agree in writing to a different interest rate applicable to LIBOR Advances.

(d) If it shall become unlawful for Bank to continue to fund or maintain any LIBOR Advances, or to perform its obligations hereunder, upon demand by Bank, Borrowers shall prepay the LIBOR Advances in full with accrued interest thereon and all other amounts payable by Borrowers hereunder (including, without limitation, any amount payable in connection with such prepayment pursuant to Section 3.7(c)(ii)); provided that any payments made by Singapore Borrower pursuant to this Section 3.7(d) shall only be for any demand by Bank related to the Singapore Utilization. Notwithstanding the foregoing, to the extent a determination by Bank as described above relates to a LIBOR Advance then being requested by Borrowers pursuant to a Notice of Borrowing or a Notice of Conversion/Continuation, Borrowers shall have the option, subject to the provisions of Section 3.7(c)(ii), to (i) rescind such Notice of Borrowing or Notice of Conversion/Continuation by giving notice (by facsimile or by telephone confirmed in writing) to Bank of such rescission on the date on which Bank gives notice of its determination as described above, or (ii) modify such Notice of Borrowing or Notice of Conversion/Continuation to obtain a Prime Rate Advance or

to have outstanding Advances converted into or continued as Prime Rate Advances by giving notice (by facsimile or by telephone confirmed in writing) to Bank of such modification on the date on which Bank gives notice of its determination as described above.

4 CREATION OF SECURITY INTEREST

4.1 Grant of Security Interest.

(a) **US Borrowers.** Each US Borrower hereby grants Bank, to secure the prompt payment and performance in full of all of the Obligations of Borrowers, a continuing security interest in, and pledges to Bank, the US Collateral, wherever located, whether now owned or hereafter acquired or arising, and all proceeds and products thereof. Notwithstanding the foregoing, at all times the Collateral shall include all proceeds of all Intellectual Property of each US Borrower (whether acquired upon the sale, lease, license, exchange or other disposition of such Intellectual Property) and all other rights arising out of such Intellectual Property.

(b) **Singapore Borrower.** Singapore Borrower hereby grants Bank, to secure the prompt payment and performance in full of all of the Singapore Obligations, a continuing security interest in, and pledges to Bank, the Singapore Collateral, wherever located, whether now owned or hereafter acquired or arising, and all proceeds and products thereof. Notwithstanding the foregoing, at all times the Singapore Collateral shall include all proceeds of all Intellectual Property of Singapore Borrower (whether acquired upon the sale, lease, license, exchange or other disposition of such Intellectual Property) and all other rights arising out of such Intellectual Property.

(c) **Bank Services Agreements.** Each Borrower acknowledges that it previously has entered, and/or may in the future enter, into Bank Services Agreements with Bank. Regardless of the terms of any Bank Services Agreement, each Borrower agrees that any amounts Borrowers owe Bank thereunder shall be deemed to be Obligations hereunder and that it is the intent of each Borrower and Bank to have (i) all such Obligations secured by the first priority perfected security interest in the US Collateral and (ii) all such Singapore Obligations also secured by the Singapore Collateral granted herein (in each case, subject only to Permitted Liens that are permitted pursuant to the terms of this Agreement to have superior priority to Bank's Lien in this Agreement). If this Agreement is terminated, Bank's Lien in the Collateral shall continue until the Obligations (other than inchoate indemnity obligations) are repaid in full in cash. Upon payment in full in cash of the Obligations (other than inchoate indemnity obligations) and at such time as Bank's obligation to make Credit Extensions has terminated, Bank shall, at the sole cost and expense of Borrower, release its Liens in the Collateral and all rights therein shall revert to Borrower. In the event (x) all Obligations (other than inchoate indemnity obligations), except for Bank Services, are satisfied in full, and (y) this Agreement is terminated, Bank shall terminate the security interest granted herein upon Borrower providing cash collateral acceptable to Bank in its good faith business judgment for Bank Services, if any. In the event such Bank Services consist of outstanding Letters of Credit, Borrower shall provide to Bank cash collateral in an amount equal to (x) if such Letters of Credit are denominated in Dollars, then at least one hundred five percent (105.0%); and (y) if such Letters of Credit are denominated in a Foreign Currency, then at least one hundred ten percent (110.0%), of the Dollar Equivalent of the face amount of all such Letters of Credit plus all interest, fees, and costs due or to become due in connection therewith (as estimated by Bank in its business judgment), to secure all of the Obligations relating to such Letters of Credit.

4.2 Priority of Security Interest. Each Borrower represents, warrants, and covenants that, except in the case of deposit accounts not requiring a Control Agreement pursuant to Section 6.8, the security interest granted herein is and shall at all times continue to be a first priority perfected security interest in the

Collateral (subject only to Permitted Liens that are permitted pursuant to the terms of this Agreement to have superior priority to Bank's Lien under this Agreement) and subject to completion of the following, at Bank's sole discretion: (a) in the case of all Collateral in which a security interest may be perfected by filing a financing statement under the Code, upon completion of such filings, (b) with respect to any Collateral Account, Bank having control (as defined in the Code) of such Collateral Account, (c) in the case of Collateral covered by a certificate of title, the security interest of Bank is indicated on such certificate of title if required by applicable law, (d) in the case of the Singapore Collateral, the security interest of Bank is perfected pursuant to applicable law, and (e) in the case of all other Collateral, as required by the Code or applicable law. If any Borrower shall acquire a commercial tort claim, such Borrower shall promptly notify Bank in a writing signed by such Borrower of the general details thereof and grant to Bank in such writing a security interest therein and in the proceeds thereof, all upon the terms of this Agreement, with such writing to be in form and substance reasonably satisfactory to Bank.

4.3 Authorization to File Financing Statements. Each Borrower hereby authorizes Bank to file financing statements and register the particulars of the security interest created in respect of the Singapore Collateral with any regulatory authority, without notice to any Borrower, with all appropriate jurisdictions to perfect or protect Bank's interest or rights hereunder, including a notice that any disposition of the Collateral not otherwise permitted under Section 7.1, by any Borrower or any other Person, shall be deemed to violate the rights of Bank under the Code. Such financing statements may indicate the Collateral as "all assets of the Debtor" or words of similar effect, or as being of an equal or lesser scope, or with greater detail, all in Bank's discretion.

5 REPRESENTATIONS AND WARRANTIES

Each Borrower represents and warrants as follows:

5.1 Due Organization, Authorization; Power and Authority. Each Borrower is duly existing and in good standing in its jurisdiction of formation and is qualified and licensed to do business and is in good standing in any jurisdiction in which the conduct of its business or its ownership of property requires that it be qualified except where the failure to do so could not reasonably be expected to cause a Material Adverse Change in such Borrower's business. In connection with this Agreement, Borrowers have delivered to Bank completed certificates signed by each Borrower entitled "Perfection Certificate." Each Borrower represents and warrants to Bank that (a) such Borrower's exact legal name is that indicated on the Perfection Certificate and on the signature page hereof; (b) such Borrower is an organization of the type and is organized in the jurisdiction set forth in the Perfection Certificate; (c) the Perfection Certificate accurately sets forth such Borrower's organizational identification number or accurately states that such Borrower has none; (d) the Perfection Certificate accurately sets forth such Borrower's place of business, or, if more than one, its chief executive office as well as such Borrower's mailing address (if different than its chief executive office); (e) such Borrower (and each of its predecessors) has not, in the past five (5) years, changed its jurisdiction of formation, organizational structure or type, or any organizational number assigned by its jurisdiction; and (f) all other information set forth on the Perfection Certificate pertaining to such Borrower and each of its Subsidiaries is accurate and complete (it being understood and agreed that such Borrower may from time to time update certain information in the Perfection Certificate after the Effective Date to the extent permitted by one or more specific provisions in this Agreement). If any Borrower is not now a Registered Organization but later becomes one, such Borrower shall promptly notify Bank of such occurrence and provide Bank with such Borrower's organizational identification number. The execution, delivery and performance by each Borrower of the Loan Documents to which it is a party have been duly authorized, and do not, in any material respect, (i) conflict with any of such Borrower's organizational documents, (ii) contravene, conflict with, constitute a default under or violate any material Requirement of Law, (iii) contravene, conflict or violate

any applicable order, writ, judgment, injunction, decree, determination or award of any Governmental Authority by which such Borrower or any of its Subsidiaries or any of their property or assets may be bound or affected, (iv) require any action by, filing, registration, or qualification with, or Governmental Approval from, any Governmental Authority (except such Governmental Approvals which have already been obtained and are in full force and effect) or (v) conflict with, contravene, constitute an event of default or breach under, or would result in or permit the termination or acceleration of, any material agreement by which such Borrower is bound. Each Borrower is not in default under any agreement to which it is a party or by which it is bound in which the default could reasonably be expected to cause a Material Adverse Change in such Borrower's business.

5.2 Collateral. Each Borrower has good title to, has rights in, and the power to transfer each item of the Collateral upon which it purports to grant a Lien hereunder, free and clear of any and all Liens except Permitted Liens. No Borrower has any Collateral Accounts at or with any bank or financial institution other than Bank or Bank's Affiliates except for the Collateral Accounts described in the Perfection Certificates delivered to Bank in connection herewith and which the applicable Borrower has taken such actions as are necessary to give Bank a perfected security interest therein, pursuant to the terms of Section 6.8(b). The Accounts are bona fide, existing obligations of the Account Debtors.

The Collateral is not in the possession of any third party bailee (such as a warehouse) except as otherwise provided in the Perfection Certificate. None of the components of the Collateral shall be maintained at locations other than as provided in the Perfection Certificate or as permitted pursuant to Section 7.2.

Except for obsolete goods or excess material related to Inventory that will not be marketed for sale, all Inventory is in all material respects of good and marketable quality, free from material defects.

Each Borrower is the sole owner of the Intellectual Property which it owns or purports to own except for (a) non-exclusive licenses granted to its customers in the ordinary course of business, (b) over-the-counter software that is commercially available to the public, and (c) material Intellectual Property licensed to such Borrower. Each Patent which it owns or purports to own and which is material to such Borrower's business is valid and enforceable, and no part of the Intellectual Property which such Borrower owns or purports to own and which is material to such Borrower's business has been judged invalid or unenforceable, in whole or in part. To the best of each Borrower's knowledge, no claim has been made that any part of the Intellectual Property violates the rights of any third party except to the extent such claim would not reasonably be expected to cause a Material Adverse Change in any Borrower's business.

5.3 Accounts Receivable; Inventory.

(a) For each Account with respect to which Advances are requested, on the date each Advance is requested and made, such Account shall be an Eligible Account.

(b) All statements made and all unpaid balances appearing in all invoices, instruments and other documents evidencing the Eligible Accounts are and shall be true and correct and all such invoices, instruments and other documents, and all of Borrowers' Books are genuine and in all respects what they purport to be. All sales and other transactions underlying or giving rise to each Eligible Account shall comply in all material respects with all applicable laws and governmental rules and regulations. No Borrower has any knowledge of any actual or imminent Insolvency Proceeding of any Account Debtor whose accounts are Eligible Accounts in any Borrowing Base Report. To the best of each Borrower's knowledge, all signatures and endorsements on all documents, instruments, and agreements relating to all Eligible Accounts are

genuine, and all such documents, instruments and agreements are legally enforceable in accordance with their terms

(c) For any item of Inventory, such Inventory is maintained in the manner as described by each Borrower in the Perfection Certificates (or at any location permitted under Section 7.2).

5.4 Litigation. Other than as set forth in the Perfection Certificates, there are no actions or proceedings pending or, to the knowledge of any Responsible Officer, threatened in writing by or against any Borrower or any of its Subsidiaries, that, if determined adversely, could reasonably be expected to cause a Material Adverse Change.

5.5 Financial Statements; Financial Condition. All consolidated financial statements for Borrowers and any of their Subsidiaries delivered to Bank fairly present in all material respects Borrowers' consolidated financial condition and Borrowers' consolidated results of operations. There has not been any material deterioration in Borrowers' consolidated financial condition since the date of the most recent financial statements submitted to Bank.

5.6 Solvency. The fair salable value of Borrowers' consolidated assets (including goodwill minus disposition costs) exceeds the fair value of Borrowers' liabilities; no Borrower is left with unreasonably small capital after the transactions in this Agreement; and each Borrower is able to pay its debts (including trade debts) as they mature.

5.7 Regulatory Compliance. No Borrower is an "investment company" or a company "controlled" by an "investment company" under the Investment Company Act of 1940, as amended. No Borrower is engaged as one of its important activities in extending credit for margin stock (under Regulations X, T and U of the Federal Reserve Board of Governors). Each Borrower (a) has complied with all Requirements of Law, and (b) has not violated any Requirements of Law the violation of which could reasonably be expected to cause a Material Adverse Change. None of any Borrower's or any of its Subsidiaries' properties or assets has been used by such Borrower or any Subsidiary or, to the best of such Borrower's knowledge, by previous Persons, in disposing, producing, storing, treating, or transporting any hazardous substance other than in accordance with any Requirements of Law. Each Borrower and each of its Subsidiaries have obtained all consents, approvals and authorizations of, made all declarations or filings with, and given all notices to, all Governmental Authorities that are necessary to continue their respective businesses as currently conducted.

5.8 Subsidiaries; Investments. No Borrower owns any stock, partnership, or other ownership interest or other equity securities except for Permitted Investments.

5.9 Tax Returns and Payments; Pension Contributions. Each Borrower has timely filed all income tax and other material required tax returns and reports, and each Borrower has timely paid all income tax and other material foreign, federal, state and local taxes, assessments, deposits and contributions owed by such Borrower except to the extent such taxes are being contested in good faith by appropriate proceedings promptly instituted and diligently conducted, so long as such reserve or other appropriate provision, if any, as shall be required in conformity with GAAP shall have been made therefor.

To the extent any Borrower defers payment of any contested taxes, such Borrower shall (i) notify Bank in writing of the commencement of, and any material development in, the proceedings, and (ii) post bonds or take any other steps required to prevent the Governmental Authority levying such contested taxes from obtaining a Lien upon any of the Collateral that is other than a "Permitted Lien." Except as

disclosed in the Perfection Certificates, no Borrower is aware of any claims or adjustments proposed for any of such Borrower's prior tax years which could result in additional taxes becoming due and payable by such Borrower. Each Borrower has paid all amounts necessary to fund all present pension, profit sharing and deferred compensation plans in accordance with their terms, and no Borrower has withdrawn from participation in, and has not permitted partial or complete termination of, or permitted the occurrence of any other event with respect to, any such plan which could reasonably be expected to result in any liability of such Borrower, including any liability to the Pension Benefit Guaranty Corporation or its successors or any other governmental agency.

5.10 Use of Proceeds. Borrower shall use the proceeds of the Credit Extensions solely as working capital and to fund its general business requirements and not for personal, family, household or agricultural purposes.

5.11 Patriot Act. To the extent applicable, each Borrower is in compliance, in all material respects, with the (a) Trading with the Enemy Act, as amended, and each of the foreign assets control regulations of the United States Treasury Department (31 CFR, Subtitle B, Chapter V, as amended) and any other enabling legislation or executive order relating thereto, and (b) Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism (USA Patriot Act of 2001) (the "Patriot Act"). No part of the proceeds of the loans made hereunder will be used by any Loan Party or any of their Affiliates, directly or indirectly, for any payments to any governmental official or employee, political party, official of a political party, candidate for political office, or anyone else acting in an official capacity, in order to obtain, retain or direct business or obtain any improper advantage, in violation of the United States Foreign Corrupt Practices Act of 1977, as amended.

5.12 Full Disclosure. No written representation, warranty or other statement of Borrowers in any certificate or written statement given to Bank, as of the date such representation, warranty, or other statement was made, taken together with all such written certificates and written statements given to Bank, contains any untrue statement of a material fact or omits to state a material fact necessary to make the statements contained in the certificates or statements not misleading (it being recognized by Bank that the projections and forecasts provided by Borrowers in good faith and based upon reasonable assumptions are not viewed as facts and that actual results during the period or periods covered by such projections and forecasts may differ from the projected or forecasted results).

5.13 Definition of "Knowledge." For purposes of the Loan Documents, whenever a representation or warranty is made to any Borrower's knowledge or awareness, to the "best of" any Borrower's knowledge, or with a similar qualification, knowledge or awareness means the actual knowledge, after reasonable investigation, of any Responsible Officer.

6 AFFIRMATIVE COVENANTS

Each Borrower shall, and shall cause its Subsidiaries to, do all of the following:

6.1 Government Compliance.

(a) Maintain its and all its Subsidiaries' legal existence and good standing in their respective jurisdictions of formation and maintain qualification in each jurisdiction in which the failure to so qualify would reasonably be expected to cause a Material Adverse Change. Each Borrower shall comply, and have each Subsidiary comply, in all material respects, with all laws, ordinances and regulations to which it is subject.

(b) Obtain all of the Governmental Approvals necessary for the performance by such Borrower of its obligations under the Loan Documents to which it is a party and the grant of a security interest to Bank in all of its property, except to the extent that failure to obtain such Governmental Approvals could not, in the aggregate, reasonably be expected to cause a Material Adverse Change. Upon request of Bank, Borrower shall promptly provide copies of any such obtained Governmental Approvals to Bank.

6.2 Financial Statements, Reports, Certificates. Provide Bank with the following:

6.3 Accounts Receivable.

(a) Schedules and Documents Relating to Accounts. Borrowers shall deliver to Bank transaction reports and schedules of collections, as provided in Section 6.2, on Bank's standard forms; provided, however, that Borrowers' failure to execute and deliver the same shall not affect or limit Bank's Lien and other rights in all of Borrowers' Accounts, nor shall Bank's failure to advance or lend against a specific Account affect or limit Bank's Lien and other rights therein. If requested by Bank, Borrowers shall furnish Bank with copies (or, at Bank's request, originals) of all contracts, orders, invoices, and other similar documents, and all shipping instructions, delivery receipts, bills of lading, and other evidence of delivery, for any goods the sale or disposition of which gave rise to such Accounts. In addition, Borrowers shall deliver to Bank, on its request, the originals of all instruments, chattel paper, security agreements, guarantees and other documents and property evidencing or securing any Accounts, in the same form as received, with all necessary indorsements, and copies of all credit memos.

(b) Disputes. Borrowers shall promptly notify Bank of all material disputes or claims relating to Accounts. Borrowers may forgive (completely or partially), compromise, or settle any Account for less than payment in full, or agree to do any of the foregoing so long as (i) Borrowers do so in good faith, in a commercially reasonable manner, in the ordinary course of business, in arm's-length transactions, and reports the same to Bank in the regular reports provided to Bank; (ii) no Event of Default has occurred and is continuing; and (iii) after taking into account all such discounts, settlements and forgiveness, the total outstanding Advances will not exceed the lesser of the Revolving Line or the Borrowing Base.

(c) Collection of Accounts. Each Borrower shall direct its respective Account Debtors to deliver or transmit all proceeds of Accounts into a lockbox account, or via electronic deposit capture into

a “blocked account” as specified by Bank (either such account, the “**Cash Collateral Account**”), pursuant to a blocked account agreement in form and substance satisfactory to Bank. Whether or not an Event of Default has occurred and is continuing, each Borrower shall immediately deliver all payments on and proceeds of Accounts to the applicable Cash Collateral Account. Subject to Bank’s right to maintain a reserve pursuant to Section 6.3(d), all amounts received in the applicable Cash Collateral Account shall be (i) when a Streamline Period is not in effect, applied to immediately reduce the Obligations under the Revolving Line (unless Bank, in its sole discretion, at times when an Event of Default exists, elects not to so apply such amounts), or (ii) when a Streamline Period is in effect, transferred on a daily basis to the applicable Borrower’s operating account with Bank. Each Borrower hereby authorizes Bank to transfer to the Cash Collateral Account any amounts that Bank reasonably determines are proceeds of the Accounts (provided that Bank is under no obligation to do so and this allowance shall in no event relieve any Borrower of its obligations hereunder).

(d) Reserves. Notwithstanding any terms in this Agreement to the contrary, at times when an Event of Default exists, Bank may hold any proceeds of the Accounts and any amounts in the Cash Collateral Account that are not applied to the Obligations pursuant to Section 6.3(c) above (including amounts otherwise required to be transferred to any Borrower’s operating account with Bank when a Streamline Period is in effect) as a reserve to be applied to any Obligations regardless of whether such Obligations are then due and payable.

(e) Returns. Provided no Event of Default has occurred and is continuing, if any Account Debtor returns any Inventory to Borrowers, Borrowers shall promptly (i) determine the reason for such return, (ii) issue a credit memorandum to the Account Debtor in the appropriate amount, and (iii) provide a copy of such credit memorandum to Bank, upon request from Bank. In the event any attempted return occurs after the occurrence and during the continuance of any Event of Default, Borrowers shall hold the returned Inventory in trust for Bank, and immediately notify Bank of the return of the Inventory.

(f) Verifications; Confirmations; Credit Quality; Notifications. Bank may, from time to time, (i) verify and confirm directly with the respective Account Debtors the validity, amount and other matters relating to the Accounts, either in the name of Borrowers or Bank or such other name as Bank may choose, and notify any Account Debtor of Bank’s security interest in such Account and/or (ii) conduct a credit check of any Account Debtor to approve any such Account Debtor’s credit.

(g) No Liability. Bank shall not be responsible or liable for any shortage or discrepancy in, damage to, or loss or destruction of, any goods, the sale or other disposition of which gives rise to an Account, or for any error, act, omission, or delay of any kind occurring in the settlement, failure to settle, collection or failure to collect any Account, or for settling any Account in good faith for less than the full amount thereof, nor shall Bank be deemed to be responsible for any of Borrowers’ obligations under any contract or agreement giving rise to an Account. Nothing herein shall, however, relieve Bank from liability for its own gross negligence or willful misconduct.

6.4 Remittance of Proceeds. Except as otherwise provided in Section 6.3(c), deliver, in kind, all proceeds arising from the disposition of any Collateral to Bank in the original form in which received by Borrowers not later than the following Business Day after receipt by Borrowers, to be applied to the Obligations (a) prior to an Event of Default, pursuant to the terms of Section 6.3(c) hereof, and (b) after the occurrence and during the continuance of an Event of Default, pursuant to the terms of Section 9.4 hereof; provided that, if no Event of Default has occurred and is continuing, Borrowers shall not be obligated to remit to Bank the proceeds of the sale of worn out or obsolete Equipment and non-core Intellectual Property disposed of by Borrowers in good faith in an arm’s length transaction for an aggregate purchase price of One Hundred Fifty Thousand Dollars (\$150,000.00) or less (for all such transactions in any fiscal year).

Each Borrower agrees that it will not commingle proceeds of Collateral with any of Borrower's other funds or property that are not Collateral, but will hold such proceeds separate and apart from such other funds and property and in an express trust for Bank. Nothing in this Section 6.4 limits the restrictions on disposition of Collateral set forth elsewhere in this Agreement.

6.5 Taxes; Pensions. Timely file, and require each of its Subsidiaries to timely file, all income tax and other material required tax returns and reports and timely pay, and require each of its Subsidiaries to timely pay, all income tax and other material foreign, federal, state and local taxes, assessments, deposits and contributions owed by each Borrower and each of its Subsidiaries, except for deferred payment of any taxes contested pursuant to the terms of Section 5.9 hereof, and shall deliver to Bank, on demand, appropriate certificates attesting to such payments, and pay all amounts necessary to fund all present pension, profit sharing and deferred compensation plans in accordance with their terms.

6.6 Access to Collateral; Books and Records. At reasonable times, on one (1) Business Day's notice (provided no notice is required if an Event of Default has occurred and is continuing), Bank, or its agents, shall have the right to inspect the Collateral and the right to audit and copy Borrower's Books. The foregoing inspections and audits shall be conducted at Borrower's expense and no more often than once every twelve (12) months unless an Event of Default has occurred and is continuing in which case such inspections and audits shall occur as often as Bank shall determine is necessary. The foregoing inspections and audits shall be conducted at Borrowers' expense and the charge therefor shall be One Thousand Dollars (\$1,000.00) per person per day (or such higher amount as shall represent Bank's then-current standard charge for the same), plus reasonable out-of-pocket expenses. In the event any Borrower and Bank schedule an audit more than eight (8) days in advance, and such Borrower cancels or seeks to or reschedules the audit with less than eight (8) days written notice to Bank, then (without limiting any of Bank's rights or remedies) such Borrower shall pay Bank a fee of Two Thousand Dollars (\$2,000.00) plus any out-of-pocket expenses incurred by Bank to compensate Bank for the anticipated costs and expenses of the cancellation or rescheduling.

6.7 Insurance.

(a) Keep its business and the Collateral insured for risks and in amounts standard for companies in Borrower's industry and location and as Bank may reasonably request. Insurance policies shall be in a form, with financially sound and reputable insurance companies that are not Affiliates of Borrower, and in amounts that are satisfactory to Bank. All property policies shall have a lender's loss payable endorsement showing Bank as the sole lender loss payee. All liability policies shall show, or have endorsements showing, Bank as an additional insured. Bank shall be named as lender loss payee and/or additional insured with respect to any such insurance providing coverage in respect of any Collateral.

(b) Ensure that proceeds payable under any property policy are, at Bank's option, payable to Bank on account of the Obligations. Notwithstanding the foregoing, (a) so long as no Event of Default has occurred and is continuing, Borrower shall have the option of applying the proceeds of any casualty policy up to Two Hundred Fifty Thousand Dollars (\$250,000.00) with respect to any loss, but not exceeding Five Hundred Thousand Dollars (\$500,000.00) in the aggregate for all losses under all casualty policies in any one year, toward the replacement or repair of destroyed or damaged property; provided that any such replaced or repaired property (i) shall be of equal or like value as the replaced or repaired Collateral and (ii) shall be deemed Collateral in which Bank has been granted a first priority security interest (subject to Permitted Liens that are permitted pursuant to this Agreement to have priority to Bank's Lien in this Agreement), and (b) after the occurrence and during the continuance of an Event of Default, all proceeds

payable under such casualty policy shall, at the option of Bank, be payable to Bank on account of the Obligations.

(c) At Bank's request, Borrowers shall deliver certified copies of insurance policies and evidence of all premium payments. Each provider of any such insurance required under this Section 6.7 shall agree, by endorsement upon the policy or policies issued by it or by independent instruments furnished to Bank, that it will give Bank thirty (30) days prior written notice before any such policy or policies shall be materially altered or canceled. If Borrowers fail to obtain insurance as required under this Section 6.7 or to pay any amount or furnish any required proof of payment to third persons and Bank, Bank may make all or part of such payment or obtain such insurance policies required in this Section 6.7, and take any action under the policies Bank deems prudent.

6.8 Accounts.

(a) Maintain its and all of its Subsidiaries' primary Domestic operating and other deposit accounts, with Bank or Bank's Affiliates.

(b) In addition to and without limiting the restrictions in (a), Borrower shall provide Bank five (5) days prior written notice before establishing any Collateral Account at or with any Domestic bank or financial institution other than Bank or Bank's Affiliates. For each Domestic Collateral Account that Borrowers at any time maintain, Borrowers shall cause the applicable bank or financial institution (other than Bank) at or with which any Domestic Collateral Account is maintained to execute and deliver a Control Agreement or other appropriate instrument with respect to such Domestic Collateral Account to perfect Bank's Lien in such Domestic Collateral Account in accordance with the terms hereunder which Control Agreement may not be terminated without the prior written consent of Bank. The provisions of the previous sentence shall not apply to deposit accounts exclusively used for payroll, payroll taxes, and other employee wage and benefit payments to or for the benefit of Borrowers' employees and identified to Bank by Borrowers as such.

8.9 Subordinated Debt. Any document, instrument, or agreement evidencing any Subordinated Debt shall for any reason be revoked or invalidated or otherwise cease to be in full force and effect, any Person shall be in breach thereof or contest in any manner the validity or enforceability thereof or deny that it has any further liability or obligation thereunder, or the Obligations shall for any reason be subordinated or shall not have the priority contemplated by this Agreement or any applicable subordination or intercreditor agreement;

9 BANK'S RIGHTS AND REMEDIES

9.1 Rights and Remedies. Upon the occurrence and during the continuance of an Event of Default, Bank may, without notice or demand, do any or all of the following:

(a) declare all Obligations immediately due and payable (but if an Event of Default described in Section 8.5 occurs all Obligations are immediately due and payable without any action by Bank);

(b) stop advancing money or extending credit for Borrower's benefit under this Agreement or under any other agreement between Borrower and Bank;

(c) (i) demand that US Borrowers (A) deposit cash with Bank in an amount equal to (x) 105% (or such other amount Bank deems appropriate in its sole discretion and Bank shall provide Borrowers notice of such amount) of the face amount for all Letters of Credit denominated in Dollars and remaining undrawn and (y) 110% (or such other amount Bank deems appropriate in its sole discretion and Bank shall provide Borrowers notice of such amount) of the Dollar Equivalent of the face amount of all Letters of Credit denominated in a Foreign Currency and remaining undrawn, in each case, plus all interest, fees, and costs due or to become due in connection therewith (as estimated by Bank in its good faith business

judgment), to secure all of the Obligations relating to such Letters of Credit, as collateral security for the repayment of any future drawings under such Letters of Credit, and US Borrowers shall forthwith deposit and pay such amounts, and (B) pay in advance all letter of credit fees scheduled to be paid or payable over the remaining term of any Letters of Credit; and (ii) demand that Singapore Borrower (A) deposit cash with Bank in an amount equal to (x) 105% (or such other amount Bank deems appropriate in its sole discretion and Bank shall provide Borrowers notice of such amount) of the face amount for all Letters of Credit issued on behalf of Singapore Borrower, denominated in Dollars and remaining undrawn and (y) 110% (or such other amount Bank deems appropriate in its sole discretion and Bank shall provide Borrowers notice of such amount) of the Dollar Equivalent of the face amount of all Letters of Credit issued on behalf of Singapore Borrower, denominated in a Foreign Currency and remaining undrawn, in each case, plus all interest, fees, and costs due or to become due in connection therewith (as estimated by Bank in its good faith business judgment), to secure all of Singapore Obligations relating to such Letters of Credit, as collateral security for the repayment of any future drawings under such Letters of Credit, and Singapore Borrower shall forthwith deposit and pay such amounts, and (B) pay in advance all letter of credit fees scheduled to be paid or payable over the remaining term of any of Singapore Borrower's Letters of Credit;

(d) terminate any FX Contracts;

(e) verify the amount of, demand payment of and performance under, and collect any Accounts and General Intangibles, settle or adjust disputes and claims directly with Account Debtors for amounts on terms and in any order that Bank considers advisable, and notify any Person owing the applicable Borrower money of Bank's security interest in such funds. Borrower shall collect all payments in trust for Bank and, if requested by Bank, immediately deliver the payments to Bank in the form received from the Account Debtor, with proper endorsements for deposit;

(f) make any payments and do any acts it considers necessary or reasonable to protect the Collateral and/or its security interest in the Collateral. Borrowers shall assemble the Collateral if Bank requests and make it available as Bank designates. Bank may enter premises where the Collateral is located, take and maintain possession of any part of the Collateral, and pay, purchase, contest, or compromise any Lien which appears to be prior or superior to its security interest and pay all expenses incurred. Borrowers grant Bank a license to enter and occupy any of its premises, without charge, to exercise any of Bank's rights or remedies;

(g) (i) apply to the Singapore Obligations (A) any balances and deposits any Borrower holds, or (B) any amount held by Bank owing to or for the credit or the account of any Borrower, and (ii) apply to Obligations other than the Singapore Obligations (A) any balance and deposits any US Borrower holds, or (B) any amount held by Bank owing to or for the credit or the account of any US Borrower;

(h) ship, reclaim, recover, store, finish, maintain, repair, prepare for sale, advertise for sale, and sell the Collateral. Bank is hereby granted a non-exclusive, royalty-free license or other right to use, without charge, Borrowers' labels, Patents, Copyrights, mask works, rights of use of any name, trade secrets, trade names, Trademarks, and advertising matter, or any similar property as it pertains to the Collateral, in completing production of, advertising for sale, and selling any Collateral and, in connection with Bank's exercise of its rights under this Section 9.1, Borrowers' rights under all licenses and all franchise agreements inure to Bank's benefit;

(i) place a "hold" on any account maintained with Bank and/or deliver a notice of exclusive control, any entitlement order, or other directions or instructions pursuant to any Control Agreement or similar agreements providing control of any Collateral;

(j) demand and receive possession of Borrowers' Books; and

(k) exercise all rights and remedies available to Bank under the Loan Documents or at law or equity, including all remedies provided under the Code (including disposal of the Collateral pursuant to the terms thereof).

9.2 Power of Attorney. Each Borrower hereby irrevocably appoints Bank as its lawful attorney-in-fact, exercisable upon the occurrence of and during the continuance of an Event of Default, to: (a) endorse such Borrower's name on any checks, payment instruments, or other forms of payment or security; (b) sign such Borrower's name on any invoice or bill of lading for any Account or drafts against Account Debtors; (c) demand, collect, sue, and give releases to any Account Debtor for monies due, settle and adjust disputes and claims about the Accounts directly with Account Debtors, and compromise, prosecute, or defend any action, claim, case, or proceeding about any Collateral (including filing a claim or voting a claim in any bankruptcy case in Bank's or any Borrower's name, as Bank chooses); (d) make, settle, and adjust all claims under Borrower's insurance policies; (e) pay, contest or settle any Lien, charge, encumbrance, security interest, or other claim in or to the Collateral, or any judgment based thereon, or otherwise take any action to terminate or discharge the same; and (f) transfer the Collateral into the name of Bank or a third party as the Code permits. Each Borrower hereby appoints Bank as its lawful attorney-in-fact to sign such Borrower's name on any documents necessary to perfect or continue the perfection of Bank's security interest in the Collateral regardless of whether an Event of Default has occurred until all Obligations have been satisfied in full and the Loan Documents have been terminated. Bank's foregoing appointment as each Borrower's attorney in fact, and all of Bank's rights and powers, coupled with an interest, are irrevocable until all Obligations have been fully repaid and performed and the Loan Documents have been terminated.

9.3 Protective Payments. If any Borrower fails to obtain the insurance called for by Section 6.7 or fails to pay any premium thereon or fails to pay any other amount which such Borrower is obligated to pay under this Agreement or any other Loan Document or which may be required to preserve the Collateral, Bank may obtain such insurance or make such payment, and all amounts so paid by Bank are Bank Expenses and immediately due and payable, bearing interest at the then highest rate applicable to the Obligations, and secured by the Collateral. Bank will make reasonable efforts to provide Borrowers with notice of Bank obtaining such insurance at the time it is obtained or within a reasonable time thereafter. No payments by Bank are deemed an agreement to make similar payments in the future or Bank's waiver of any Event of Default.

9.4 Application of Payments and Proceeds. If an Event of Default has occurred and is continuing, Bank shall have the right to apply in any order any funds in its possession, whether from any Borrower account balances, payments, proceeds realized as the result of any collection of Accounts or other disposition of the Collateral, or otherwise, to the Obligations; provided that Bank shall not apply any funds of Singapore Borrower to any Obligation of a US Borrower. Bank shall pay any surplus to the applicable Borrower by credit to the Designated Deposit Account or to other Persons legally entitled thereto; Borrowers shall remain liable to Bank for any deficiency. If Bank, in its good faith business judgment, directly or indirectly, enters into a deferred payment or other credit transaction with any purchaser at any sale of Collateral, Bank shall have the option, exercisable at any time, of either reducing the Obligations by the principal amount of the purchase price or deferring the reduction of the Obligations until the actual receipt by Bank of cash therefor.

9.5 Bank's Liability for Collateral. So long as Bank complies with reasonable banking practices regarding the safekeeping of the Collateral in the possession or under the control of Bank, Bank

shall not be liable or responsible for: (a) the safekeeping of the Collateral; (b) any loss or damage to the Collateral; (c) any diminution in the value of the Collateral; or (d) any act or default of any carrier, warehouseman, bailee, or other Person. Borrowers bears all risk of loss, damage or destruction of the Collateral.

9.6 No Waiver; Remedies Cumulative. Bank's failure, at any time or times, to require strict performance by Borrowers of any provision of this Agreement or any other Loan Document shall not waive, affect, or diminish any right of Bank thereafter to demand strict performance and compliance herewith or therewith. No waiver hereunder shall be effective unless signed by the party granting the waiver and then is only effective for the specific instance and purpose for which it is given. Bank's rights and remedies under this Agreement and the other Loan Documents are cumulative. Bank has all rights and remedies provided under the Code, by law, or in equity. Bank's exercise of one right or remedy is not an election and shall not preclude Bank from exercising any other remedy under this Agreement or other remedy available at law or in equity, and Bank's waiver of any Event of Default is not a continuing waiver. Bank's delay in exercising any remedy is not a waiver, election, or acquiescence.

9.7 Demand Waiver. Each Borrower waives demand, notice of default or dishonor, notice of payment and nonpayment, notice of any default, nonpayment at maturity, release, compromise, settlement, extension, or renewal of accounts, documents, instruments, chattel paper, and guarantees held by Bank on which each Borrower is liable.

9.8 Agent for the US Borrowers. Each US Borrower hereby irrevocably appoints Parent as the borrowing agent and attorney-in-fact for all the US Borrowers (the "Administrative Borrower") which appointment shall remain in full force and effect unless and until Bank shall have received prior written notice signed by each US Borrower that such appointment has been revoked and that another US Borrower has been appointed Administrative Borrower. Each US Borrower hereby irrevocably appoints and authorizes the Administrative Borrower (a) to provide Bank with all notices with respect to Credit Extensions obtained for the benefit of any Borrower and all other notices and instructions under this Agreement and (b) to take such action as the Administrative Borrower deems appropriate on its behalf to obtain Credit Extensions and to exercise such other powers as are reasonably incidental thereto to carry out the purposes of this Agreement. To induce Bank to do so, and in consideration thereof, each US Borrower hereby jointly and severally agrees to indemnify Bank and hold Bank harmless against any and all liability, expense, loss or claim of damage or injury, made against Bank by any US Borrower or by any third party whatsoever, arising from or incurred by reason of Bank's relying on any instructions of the Administrative Borrower.

9.9 Borrower Liability. Each Borrower hereunder shall be jointly and severally obligated to repay all Singapore Advances made hereunder, regardless of which Borrower actually receives said Advance, as if each Borrower hereunder directly received all Singapore Advances. Each US Borrower hereunder shall be jointly and severally obligated to repay all Advances made hereunder, regardless of which Borrower actually receives said Advance, as if each US Borrower hereunder directly received all Advances. Each Borrower waives (a) any suretyship defenses available to it under the Code or any other applicable law, including, without limitation, the benefit of California Civil Code Section 2815 permitting revocation as to future transactions and the benefit of California Civil Code Sections 1432, 2809, 2810, 2819, 2839, 2845, 2847, 2848, 2849, 2850, and 2899 and 3433, and (b) any right to require Bank to: (i) proceed against any Borrower or any other person; (ii) proceed against or exhaust any security; or (iii) pursue any other remedy. Bank may exercise or not exercise any right or remedy it has against any Borrower or any security it holds (including the right to foreclose by judicial or non-judicial sale) without affecting any Borrower's liability. Notwithstanding any other provision of this Agreement or other related document, each Borrower irrevocably waives all rights that it may have at law or in equity (including, without limitation, any law subrogating such

Borrower to the rights of Bank under this Agreement) to seek contribution, indemnification or any other form of reimbursement from any other Borrower, or any other Person now or hereafter primarily or secondarily liable for any of the Obligations, for any payment made by such Borrower with respect to the Obligations in connection with this Agreement or otherwise and all rights that it might have to benefit from, or to participate in, any security for the Obligations as a result of any payment made by such Borrower with respect to the Obligations in connection with this Agreement or otherwise. Any agreement providing for indemnification, reimbursement or any other arrangement prohibited under this Section 9.9 shall be null and void. If any payment is made to a Borrower in contravention of this Section 9.9, such Borrower shall hold such payment in trust for Bank and such payment shall be promptly delivered to Bank for application to the Obligations, whether matured or unmatured. Notwithstanding anything to the contrary set forth herein or in any other Loan Document, in no event shall Singapore Borrower be deemed to be a guarantor of, surety in respect of, or otherwise, directly or indirectly, liable for the payment of any Obligations of the US Borrowers.

11 CHOICE OF LAW, VENUE, JURY TRIAL WAIVER AND JUDICIAL REFERENCE

California law governs the Loan Documents without regard to principles of conflicts of law. Each Borrower and Bank each submit to the exclusive jurisdiction of the State and Federal courts in Santa Clara County, California; provided, however, that nothing in this Agreement shall be deemed to preclude Bank from bringing suit or taking other legal action in any other jurisdiction to realize on the Collateral or any other security for the Obligations, or to enforce a judgment or other court order in favor of Bank. Each Borrower expressly submits and consents in advance to such jurisdiction in any action or suit commenced in any such court, and each Borrower hereby waives any objection that it may have based upon lack of personal jurisdiction, improper venue, or forum non conveniences and hereby consents to the granting of such legal or equitable relief as is deemed appropriate by such court. Each Borrower hereby waives personal service of the summons, complaints, and other process issued in such action or suit and agrees that service of such summons, complaints, and other process may be made by registered or certified mail addressed to such Borrower at the address set forth in, or subsequently provided by Borrowers in accordance with, Section 10 of this Agreement and that service so made shall be deemed completed upon the earlier to occur of Borrowers' actual receipt thereof or three (3) days after deposit in the U.S. mails, proper postage prepaid.

TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, EACH BORROWER AND BANK EACH WAIVE THEIR RIGHT TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION ARISING OUT OF OR BASED UPON THIS AGREEMENT, THE LOAN DOCUMENTS OR ANY CONTEMPLATED TRANSACTION, INCLUDING CONTRACT, TORT, BREACH OF DUTY AND ALL OTHER CLAIMS. THIS WAIVER IS A MATERIAL INDUCEMENT FOR BOTH PARTIES TO ENTER INTO THIS AGREEMENT. EACH PARTY HAS REVIEWED THIS WAIVER WITH ITS COUNSEL.

WITHOUT INTENDING IN ANY WAY TO LIMIT THE PARTIES' AGREEMENT TO WAIVE THEIR RESPECTIVE RIGHT TO A TRIAL BY JURY, if the above waiver of the right to a trial by jury is not enforceable, the parties hereto agree that any and all disputes or controversies of any nature between them arising at any time shall be decided by a reference to a private judge, mutually selected by the parties (or, if they cannot agree, by the Presiding Judge of the Santa Clara County, California Superior Court) appointed in accordance with California Code of Civil Procedure Section 638 (or pursuant to comparable provisions of federal law if the dispute falls within the exclusive jurisdiction of the federal courts), sitting without a jury, in Santa Clara County, California; and the parties hereby submit to the jurisdiction of such court. The reference proceedings shall be conducted pursuant to and in accordance with the provisions of California Code of Civil Procedure Sections 638 through 645.1, inclusive. The private judge shall have the power, among others, to grant provisional relief, including without limitation, entering temporary restraining orders, issuing preliminary and permanent injunctions and appointing receivers. All such proceedings shall be closed to the public and confidential and all records relating thereto shall be permanently sealed. If during the course of any dispute, a party desires to seek provisional relief, but a judge has not been appointed at that point pursuant to the judicial reference procedures, then such party may apply to the Santa Clara County, California Superior Court for such relief. The proceeding before the private judge shall be conducted in the same manner as it would be before a court under the rules of evidence applicable to judicial proceedings. The parties shall be entitled to discovery which shall be conducted in the same manner as it would be before a court under the rules of discovery applicable to judicial proceedings. The private judge shall oversee discovery and may enforce all discovery rules and orders applicable to judicial proceedings in the same manner as a trial court judge. The parties agree that the selected or appointed private judge shall have the power to decide all issues in the action or proceeding, whether of fact or of law, and shall report a statement of decision thereon pursuant to California Code of Civil Procedure Section 644(a). Nothing in this paragraph

shall limit the right of any party at any time to exercise self-help remedies, foreclose against collateral, or obtain provisional remedies. The private judge shall also determine all issues relating to the applicability, interpretation, and enforceability of this paragraph.

This Section 11 shall survive the termination of this Agreement.

12 GENERAL PROVISIONS

12.1 Termination Prior to Revolving Line Maturity Date; Survival. All covenants, representations and warranties made in this Agreement shall continue in full force until this Agreement has terminated pursuant to its terms and all Obligations (other than (i) inchoate indemnification obligations, (ii) other obligations which, by their terms, are to survive the termination of this Agreement, and (iii) any Obligations under Bank Services Agreements that are cash collateralized in accordance with Section 4.1) have been satisfied. So long as Borrowers have satisfied the Obligations (other than inchoate indemnity obligations, and any other obligations which, by their terms, are to survive the termination of this Agreement, and any Obligations under Bank Services Agreements that are cash collateralized in accordance with Section 4.1 of this Agreement), this Agreement may be terminated prior to the Revolving Line Maturity Date by Borrowers, effective three (3) Business Days after written notice of termination is given to Bank. Those obligations that are expressly specified in this Agreement as surviving this Agreement's termination shall continue to survive notwithstanding this Agreement's termination.

12.2 Successors and Assigns. This Agreement binds and is for the benefit of the successors and permitted assigns of each party. Borrowers may not assign this Agreement or any rights or obligations under it without Bank's prior written consent (which may be granted or withheld in Bank's discretion). Bank has the right, without the consent of or notice to Borrowers, to sell, transfer, assign, negotiate, or grant participation in all or any part of, or any interest in, Bank's obligations, rights, and benefits under this Agreement and the other Loan Documents; provided, however, that Bank, acting solely for this purpose as a non-fiduciary agent of Borrowers, shall maintain a copy of each assignment, transfer or participation document and a register or similar list (the "Register") for the recordation of the names and addresses of the assignees, transferees or participants and the principal amounts (and stated interest) of the Credit Extension owing to the assignees, transferees or participants pursuant to the terms hereof from time to time. The entries in the Register shall be conclusive, in the absence of manifest error and Borrowers and Bank shall treat each Person whose name is recorded in the Register as the lender of such Credit Extension or the owner of such participation for all purposes of this Agreement. The Register shall be available for inspection by Borrower at any reasonable time and from time to time upon reasonable prior notice.

12.3 Indemnification.

(a) General Indemnification. Each Borrower agrees to indemnify, defend and hold Bank and its directors, officers, employees, agents, attorneys, or any other Person affiliated with or representing Bank (each, an "**Indemnified Person**") harmless against: (i) all obligations, demands, claims, and liabilities (collectively, "**Claims**") claimed or asserted by any other party in connection with the transactions contemplated by the Loan Documents; and (ii) all losses or expenses (including Bank Expenses) in any way suffered, incurred, or paid by such Indemnified Person as a result of, following from, consequential to, or arising from transactions between Bank and Borrower (including reasonable attorneys' fees and expenses), except for Claims and/or losses directly caused by such Indemnified Person's gross negligence or willful misconduct.

(b) **Judgment Currency; Currency Indemnification.** If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures Bank could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of Borrowers with respect to any such sum due from it to Bank hereunder or under any other Loan Document shall, notwithstanding any judgment in a currency (the “**Judgment Currency**”) other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the “**Agreement Currency**”), be discharged only to the extent that on the Business Day following receipt by Bank of any sum adjudged to be so due in the Judgment Currency, Bank may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to Bank from Borrower in the Agreement Currency, Borrowers agree, as a separate obligation and notwithstanding any such judgment, to indemnify Bank against such loss; provided that any obligation of Singapore Borrower pursuant to this Section 12.3(b) shall only be for any loss incurred by Bank related to the Singapore Utilization. If the amount of the Agreement Currency so purchased is greater than the sum originally due to Bank in such currency, Bank agrees to return the amount of any excess to the applicable Borrower (or to any other Person who may be entitled thereto under applicable law).

This Section 12.3 shall survive until all statutes of limitation with respect to the Claims, losses, and expenses for which indemnity is given shall have run.

12.4 Time of Essence. Time is of the essence for the performance of all Obligations in this Agreement.

12.5 Severability of Provisions. Each provision of this Agreement is severable from every other provision in determining the enforceability of any provision.

12.6 Correction of Loan Documents. Bank may correct patent errors and fill in any blanks in the Loan Documents consistent with the agreement of the parties.

12.7 Amendments in Writing; Waiver; Integration. No purported amendment or modification of any Loan Document, or waiver, discharge or termination of any obligation under any Loan Document, shall be enforceable or admissible unless, and only to the extent, expressly set forth in a writing signed by the party against which enforcement or admission is sought. Without limiting the generality of the foregoing, no oral promise or statement, nor any action, inaction, delay, failure to require performance or course of conduct shall operate as, or evidence, an amendment, supplement or waiver or have any other effect on any Loan Document. Any waiver granted shall be limited to the specific circumstance expressly described in it, and shall not apply to any subsequent or other circumstance, whether similar or dissimilar, or give rise to, or evidence, any obligation or commitment to grant any further waiver. The Loan Documents represent the entire agreement about this subject matter and supersede prior negotiations or agreements. All prior agreements, understandings, representations, warranties, and negotiations between the parties about the subject matter of the Loan Documents merge into the Loan Documents.

12.8 Counterparts. This Agreement may be executed in any number of counterparts and by different parties on separate counterparts, each of which, when executed and delivered, is an original, and all taken together, constitute one Agreement.

12.9 Confidentiality. In handling any confidential information, Bank shall exercise the same degree of care that it exercises for its own proprietary information, but disclosure of information may be

made: (a) to Bank's Subsidiaries or Affiliates (such Subsidiaries and Affiliates, together with Bank, collectively, "**Bank Entities**"); (b) to prospective transferees or purchasers of any interest in the Credit Extensions (provided, however, that Bank shall use its best efforts to obtain any prospective transferee's or purchaser's agreement to the terms of this provision); (c) as required by law, regulation, subpoena, or other order; (d) to Bank's regulators or as otherwise required in connection with Bank's examination or audit; (e) as Bank considers appropriate in exercising remedies under the Loan Documents; and (f) to third-party service providers of Bank so long as such service providers have executed a confidentiality agreement with Bank with terms no less restrictive than those contained herein. Confidential information does not include information that is either: (i) in the public domain or in Bank's possession when disclosed to Bank, or becomes part of the public domain (other than as a result of its disclosure by Bank in violation of this Agreement) after disclosure to Bank; or (ii) disclosed to Bank by a third party, if Bank does not know that the third party is prohibited from disclosing the information.

Bank Entities may use anonymous forms of confidential information for aggregate datasets, for analyses or reporting, and for any other uses not expressly prohibited in writing by Borrower. The provisions of the immediately preceding sentence shall survive the termination of this Agreement.

12.10 Attorneys' Fees, Costs and Expenses. In any action or proceeding between Borrowers and Bank arising out of or relating to the Loan Documents, the prevailing party shall be entitled to recover its reasonable attorneys' fees and other costs and expenses incurred, in addition to any other relief to which it may be entitled.

12.11 Electronic Execution of Documents. The words "execution," "signed," "signature" and words of like import in any Loan Document shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity and enforceability as a manually executed signature or the use of a paper-based recordkeeping systems, as the case may be, to the extent and as provided for in any applicable law, including, without limitation, any state law based on the Uniform Electronic Transactions Act.

12.12 Right of Setoff. Each Borrower hereby grants to Bank a Lien and a right of setoff as security for all Obligations to Bank, whether now existing or hereafter arising upon and against all deposits, credits, collateral and property, now or hereafter in the possession, custody, safekeeping or control of Bank or any entity under the control of Bank (including a subsidiary of Bank) or in transit to any of them. At any time after the occurrence and during the continuance of an Event of Default, without demand or notice, Bank may setoff the same or any part thereof and apply the same to any liability or Obligation of Borrowers even though unmatured and regardless of the adequacy of any other collateral securing the Obligations. ANY AND ALL RIGHTS TO REQUIRE BANK TO EXERCISE ITS RIGHTS OR REMEDIES WITH RESPECT TO ANY OTHER COLLATERAL WHICH SECURES THE OBLIGATIONS, PRIOR TO EXERCISING ITS RIGHT OF SETOFF WITH RESPECT TO SUCH DEPOSITS, CREDITS OR OTHER PROPERTY OF BORROWERS, ARE HEREBY KNOWINGLY, VOLUNTARILY AND IRREVOCABLY WAIVED.

12.13 Captions. The headings used in this Agreement are for convenience only and shall not affect the interpretation of this Agreement.

12.14 Construction of Agreement. The parties mutually acknowledge that they and their attorneys have participated in the preparation and negotiation of this Agreement. In cases of uncertainty this Agreement shall be construed without regard to which of the parties caused the uncertainty to exist.

12.15 Relationship. The relationship of the parties to this Agreement is determined solely by the provisions of this Agreement. The parties do not intend to create any agency, partnership, joint venture, trust, fiduciary or other relationship with duties or incidents different from those of parties to an arm's-length contract.

12.16 Third Parties. Nothing in this Agreement, whether express or implied, is intended to: (a) confer any benefits, rights or remedies under or by reason of this Agreement on any persons other than the express parties to it and their respective permitted successors and assigns; (b) relieve or discharge the obligation or liability of any person not an express party to this Agreement; or (c) give any person not an express party to this Agreement any right of subrogation or action against any party to this Agreement.

12.17 No Novation; Ratification. Nothing contained herein shall in any way impair the Original Agreement and other Loan Documents now held for the Obligations, nor affect or impair any rights, powers, or remedies under the Original Agreement or any Loan Document, it being the intent of the parties hereto that this Agreement shall not constitute a novation of the Original Agreement or an accord and satisfaction of the Obligations. Each of the Borrowers and each Guarantor hereby ratifies and reaffirms all existing Loan Documents to which it is a party and confirms that they remain in full force and effect, and ratifies and reaffirms the validity and enforceability of all of the liens and security interests heretofore granted pursuant to the Loan Documents, as collateral security for the Obligations, and acknowledges that all of such liens and security interests, and all Collateral heretofore pledged as security for the Obligations, continues to be and remains Collateral for the Obligations from and after the date hereof.
